This school district has the best ratio of students to certified staff in the state of Illinois.

CHICAGO PRINCIPALS & ADMINISTRATORS ASSOCIATION
mycpaa.com

Chicago Public Schools is ranked

849th

out of 854 school districts for ratio of students to certified staff.

That means CPS is virtually the MOST UNDERSTAFFED district in Illinois.

"If our politicians and appointed officials believed in the potential of our students, they would invest more in their schools. Investment is belief made visible. If they don't invest, they don't believe."

--Troy LaRaviere, President, Chicago Principals and Administrators Association
